

GRANTEE SPOTLIGHT: New Life Counseling Center

New Life Counseling Center in Cut Off is making a positive difference in the lives of children, adults and families in South Lafourche and Grand Isle by providing faith-based counseling and resources for substance abuse, anxiety, depression, anger management, grief, and marital and parental issues.

According to Executive Director Matt Dickinson, New Life has always attempted to provide financially impoverished residents of the community access to quality mental health care, and grants from Bayou Community Foundation have allowed residents to get the help they need regardless of their financial situation.

Since 2015, BCF has awarded New Life Counseling Center grants totaling \$38,000 for the “Access to Care” program. With its \$10,000 grant in 2017, the nonprofit was able to provide 286 counseling session to 41 individuals ages five through 70 during a 12-month period.

About Bayou Community Foundation

Established in 2012 by local residents, **Bayou Community Foundation** is the “philanthropic bucket” for Terrebonne Parish, Lafourche Parish, and Grand Isle. Our founders recognized that a community foundation was essential to attract philanthropic recovery dollars after disasters, and to build a permanent fund for donors to invest in our community during prosperous times.

Through the generosity of our donors, BCF awards grants to local nonprofits working in education and workforce development, coastal preservation and human services. BCF is also building a Bayou Recovery Fund to help us recover from future disasters, offers workshops for local nonprofits, coordinates the Give Bayou campaign, and works on other efforts to strengthen community.

Message from the Chair **\$1 Million and Counting**

This summer, Bayou Community Foundation presented 29 nonprofits serving Lafourche, Terrebonne and Grand Isle with \$230,000 in grants to address some of our Bayou Region's most critical needs, from food and medicine for the poor to safe homes for mothers and children in danger.

Our grants ceremony marks what we like to call, "the most wonderful day of the year," and this year it was extra special. Not only was this sixth annual grants program the largest to date, it also marked a tremendous milestone in our young foundation's and our community's history – we passed the \$1 million mark!

Since 2013, thanks to the tremendous support of donors like you, BCF has awarded 124 grants totaling \$1,012,270 to local nonprofits. That is an amazing investment in the health and sustainability of our unique and precious community by all of us who proudly call this area home, as well as others who care very deeply about our part of the world. Congratulations, my friends! We

have achieved this milestone together!

What makes this \$1 million figure even more amazing is what it represents. Each and every dollar out of this \$1 million represents a meal, a prescription, a book, a class, a counseling session, a child advocate, or a home made possible through the generosity of BCF donors. In the end, **our grants are touching and helping REAL PEOPLE - family, friends and neighbors – who need**

the assistance that only our local nonprofits can provide. Help starts right here at home and your gifts to BCF make that help happen!

As we approach the holiday season, normally a time of celebration and joy, we

keep in our thoughts and prayers all our local families who face loss or hardship. Your year-end gift to BCF will fund a 2019 grant and make a huge impact on families like these who are struggling in so many ways.

Join me in growing the BCF grants fund and, together, we will make another \$1 million investment in our community!

*Help starts right here
at home and your
gifts to BCF make
that help happen!*

Your gifts to BCF give the gift of reading!

With a \$10,000 BCF grant, the Terrebonne Foundation for Academic Excellence enrolled over 150 pre-schoolers from Head Start programs into the Dolly Parton Imagination Library. Over the next five years, 7,100 books will be in the hands of area children, helping them get "ready to read!"

Conference Is a Hit for Local Nonprofits

Over 100 representatives from Bayou Region nonprofits attended the first-ever Bayou Region Conference for Nonprofits at **Fletcher Technical Community College** on July 26. Presented by the Bayou Community Foundation and Greater New Orleans Foundation, the "Focus on Funding" conference featured sessions by professional speakers designed to help nonprofit leaders strengthen their fundraising efforts.

The conference also included a panel discussion by local grant funders including BCF, GNOF, Chevron, Entergy Louisiana, Danos Foundation and Louisiana Bar Foundation.

**Thanks to our sponsors for making this inaugural event possible:
Cenac Marine Services, Buquet Distributing,
Digital InSyte LLC, Synergy Bank and Simply Nonprofits.
Planning is underway for our next conference in 2019!**

Give the Gift of GIVING this Christmas Season!

*Philanthropy is always the right size and color, and feels so GOOD! Wrap up your gift-giving this holiday season and throughout the year with **BCF Giving Certificates**. Donate to BCF in honor of a friend or loved one at BayouCF.org, then print out a Giving Certificate for them as a tribute to their generous spirit. Your gift will keep on giving by funding a grant for a local nonprofit that helps others in need!*
